Commissioner for Patents
P.O. Box 1450
Alexandria VA 22313-1450

Honorable Commissioner:

In accordance with 37 C.F.R. §1.97, please accept this Information

Disclosure Statement and copies of any non-US patent art.

COMMENTS

It is believed that this disclosure complies with 37 C.F.R. §1.56 and 1.98 and M.P.E.P. §2000. This disclosure statement should not be construed as a representation that a search has been made or that no other material information as defined in 37 C.F.R. §1.56(a) exists. A copy of each non-US patent reference is being supplied. Some references may contain marks; no significance should be attached to these.

It should be noted that these references were supplied in ongoing litigation concerning parent patents of the current case by defendants in that case, namely Allstate, Dell and Federal Express. This litigation has already been reported to the examiner in a prior information disclosure. The applicant apologizes if there are any duplicates reported. The applicant also does not admit that any of these references are necessarily prior art since some of the dates on some of the references may be after the filing date or priority date of the applicant. The references are being supplied for completeness.

Respectfully submitted
